

Herald Summer 'Sub' Contest Is Announced

The HERALD vacation contest for boys in the circulation department is on! Lasting until Aug. 23, the contest will end with a 28-inch English bike going to the boy who brings in the most "starts."

Other prizes will be a portable G. E. radio for second place; a 17-jewel shockproof wrist watch for third; and a Parker pen and pencil set for fourth.

A picture of the winners will be published in this newspaper at the end of the competition.

The prizes are in addition to the regular points awarded for new subscribers, according to Circulation Manager Robert Thompson.

The boys have been informed that all starts must be for three months or longer. In case of a tie, the winner will be the one who turns in the winning start first. Starts may be solicited on any route. Mail starts do not count for contest credit. Each carrier should turn out for selling at least two times each week during the contest.
